

User Story & Milestone

Topic: Cooking mama – Recipe-sharing website

Background: It is an innovative recipe website for people from different countries to share and access special dishes. Through sharing and interaction, learn about other countries and cultures.

Milestone1: User registration & authentication

1. User login: As a user, I want to log in securely, so that I can access my account and personalized features.
2. User registration: As a user, I want to register for an account, so that I can create, share, and see recipes.

Milestone2: Recipe creating & sharing

1. Create recipe: As a user, I want to create a recipe, providing details such as title, author, ingredients, image, and other information, so that I can share it with others.
2. Share recipe: As a user, I want to see the recipe that other users created, so that I can discover and learn new dishes.

Milestone3: Recipe interaction

1. Save (Like) recipe: As a user, I want to save the recipe to my favorite list, so that I can easily access it.

Milestone4: Recipe searching

1. Search recipe: As a user, I want to use category and keyword to search the recipe, so that I can easily get the information I want.

Milestone5: User profile management

1. View profile: As a user, I want to see my created recipe, like recipe, and other information.
2. Edit profile: As a user, I want to update my information, including username, email, and password.
3. Update recipe: As a user, I want to revise the recipe I created, so that I can update it with new information.
